TAPA invites you to help spread the word about the 11th Annual Arts Day at the City

What is Arts Day?

Arts Day is an annual campaign that brings the performing arts sector to Toronto's City Hall and Council, where arts leaders and community members meet with our City's councillors to advocate for support for the arts.

What do we ask the City for?

You can read the message and requests that have been crafted by the <u>Advocacy Committee</u> here: <u>https://tapa.ca/wp-content/uploads/2021/08/11th-Annual-Arts-Day-At-The-City-2021.docx.pdf</u>

How can you participate?

Help spread the word about Arts Day, in the following ways:

Include a post on any social media platform or a blurb in an e-blast or newsletter this week about Arts Day.

Please refer to the message and request document to create your post.

You can provide a link to the event page on the TAPA website calendar: <u>https://tapa.ca/calendar/annual-arts-day-at-the-city-advocacy/</u>

Here are some visual graphic assets for you to include in your posts.
